Keith Haring loved dancing and music. He saw breakdancers doing the coolest moves on the street. We see lots of dancing figures in his work. Look at the picture below. Can you copy this move?

**Now it’s your turn!**

- Put on your coolest outfit.
- Play your favourite dance music.
- Make up your own (spider) moves.
- Make a video and send it to your friends/family/Bozar!

Learn to dance like a spider.

Pause the video and watch the dancers ‘freeze’.
