Notes from the composer

'A Walk In Nature' is an ode to the nature. Sing it that way, it's a Gospel!

Not everyone has to sing all the time, feel free to experiment with: for example the alto solo parts can be sung by one person or the whole alto section. "Hm" means humming. The D part can be repeated more than 2 times. I wrote snaps but feel free to clap or stomp with your feet if you feel like it. Most important is to really feel this rhythm where the 3rd beat is 'harder'.

The soprano part from bar 46 to 60 can be octaviated if too high. Same count for bar 73 to 77.

ENJOY!

LYRICS:

ENG

Trying to regain all the power,
Nature has been given for free.
Staring at the moon and the flowers,
Blossoming and climbing the trees.
I'll be away, down by the river.

NL

Probeer alle macht terug te winnen,
De natuur werd ons geschonken
Starend naar de maan en de bloemen
bloeiend en klimmend in de bomen
Ik zal weg zijn, bij de rivier

FR

Essayant de récupérer tout le pouvoir,
La nature a été donnée
Regardant la lune et les fleurs
qui fleurissent et grimpent aux arbres
Je serai absent, au bord de la rivière
